IMPORTANT INFORMATION AND CLIENT CONSENT: Please read and sign at the end stating you have fully read and understand the information below.

CLIENT/THERAPIST RELATIONSHIP: You and your Therapist have a professional relationship existing exclusively for therapeutic treatment. This relationship functions most effectively when it remains strictly professional and involves only the therapeutic aspect. Your Therapist can best serve your needs by focusing solely on therapy and avoiding any type of social or business relationship. Gifts are not appropriate, nor is any sort of trade of service for service.

Int if Applicable At THMHC, we strive to provide the best Therapists to help you with your needs. Our Therapists all have their Occupational License and may be an Independent Contractor or Employee of THMHC. I understand that my Therapist is an Independent Contractor for THMHC.

AVAILABLE SERVICES: The Holistic Mental Health Clinic offers a wide array of counseling, including individual, couples and group therapy. We are staffed by skilled and experienced licensed professional counselors. Effective psychotherapy is founded on mutual understanding and good rapport between client and therapist. It is our intent to convey the policies and procedures used in our practice, and we will be pleased to discuss any questions or concerns you may have.

RISKS AND BENEFITS: Counseling, psychotherapy services are beneficial, but as with any treatment, there are inherent risks. During counseling, you will have discussions about personal issues which may bring to the surface uncomfortable emotions such as anger, guilt, and sadness. The benefits of counseling can far outweigh any discomfort encountered during the process. Some of the possible benefits are improved personal relationships, reduced feelings of emotional distress, increased attention/focus and specific problem solving. We cannot guarantee these benefits, of course. It is our desire, however, to work with you to attain your personal goals for counseling/psychotherapy.

COUNSELING SERVICES: We provide both short-term and long-term counseling designed to address many of the issues our clients are dealing with. Your first visit will be an assessment session in which you and your Therapist will determine your concerns, and if both agree that **The Holistic Mental Health Clinic** can meet your therapeutic needs, develop a plan of treatment. Should you choose not to follow the plan of treatment provided to you by your Therapist, services to you may be terminated.

The goal of **The Holistic Mental Health Clinic** is to provide the most effective therapeutic experience available to you. If at any time you feel that you and your current Therapist are not a good fit, please discuss this matter with your Therapist to determine if transferring to a more suitable Therapist is right for you. If you and your Therapist decide that other services would be more appropriate, we will assist you in finding a provider to meet your needs.

Through the ongoing integration of our physical, emotional, mental, and spiritual self, each person has the opportunity to create and preserve a whole and happy life. Our services are designed to provide our clients an integrated solution for their mind, body, spirit, and life to enhance their lives and resolve issues.
